

NURSING SERVICES

A Culture of Caring for you

Life is better at home where you can be independent and make your own choices.

Our dedicated nurses assess, monitor, educate, provide medications and treatments as ordered by your physician, and ensure the highest level of independence while preventing acute or chronic complications.

Our Specialty is Pediatric In-Home Nursing

- Up to 24 hr./day
- Tracheostomy care
- Feeding tube management
- Medication management
- Individualized care plans
- An array of other skilled services to meet your child's needs

Our job is to give you
peace of mind
knowing your child's needs are taken care of,
while preserving you and your family's
independence.

CONSUMER DIRECT CARE NETWORK MONTANA

Your In-Home Care Specialists

Consumer Direct Care Network Montana (CDMT) provides quality caregiving and nursing support to people of all ages, including older adults, children, and individuals with physical, intellectual, or developmental disabilities, so they can remain safe, healthy, and independent in their homes and communities.

In-home Nursing Services provide individualized plans to meet your skilled care needs.

Our services include, but aren't limited to:

- Pediatric specialty
- Brain and spinal cord injury care
- Ventilator and tracheostomy care and management
- Diabetes management and care
- Colostomy care
- Chronic wound care
- Medication management

Whether you need an hour a month or around-the-clock care, our nurses are with you every step of the way.

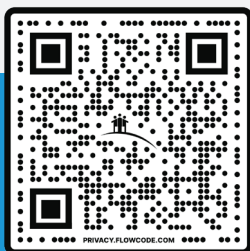

Get in touch with our specialists and learn how our programs can support your family's evolving needs.

We are here to help you live the life you choose.
